The Mountain Computer User Group (MCUG) is a member of APCUG, a nonprofit international organization dedicated to promoting communications between PC user groups and the computer industry. MCUG is a nonprofit, tax-exempt educational organization without corporate or vendor affiliation. Its purpose is the encouragement and advancement of computer information and knowledge through "users helping users".

MCUG meets on the second Monday of each month in the Wilson Lecture Hall in the Goolsby Center on the Young Harris College campus. MCUG holds an annual picnic in July and a software auction and Christmas party in December. All meetings are open to the public. For information about MCUG please visit our website at **www.mcug.org**.
